Hi John, Dave, Vince,

I spoke to Lynn F this morning for some clarity on this. Since the deadline for comments is Dec 19<sup>th</sup> – could you identify epidemiology reviewers for the OPP epi framework draft – attached? The names Molini Patel and Barbara Glenn have been suggested as possible reviewers. Please let me know by Friday who can review. The meeting in Lynn's message is Dec 14. Having input from your reviewers on any items that would be contradictory or an issue for the IRIS review handbook by the morning of the 14<sup>th</sup> would be really helpful.

I will be checking in with Samantha about how we share parts of our IRIS handbook with OPP. The message from Lynn is that sharing needs to happen sooner rather than later and I explained that there is no one specific section in the book to share so we have to figure out whether we share parts or all. Would appreciate you input on that.

Please call me if you need to discuss...thanks.

-Emma

**Subject:** Fwd: draft epi framework/OPP

Hi Emma and everyone: I am again reaching out to the larger management group re: OPPs draft epi framework. This was discussed briefly at the end of the meeting with Matt Fritz last week but I expect not everyone heard.

# Deliberative Process / Ex. 5

I look forward to your reply.
